

Production Crew

Working with the Director of Production, and receiving leadership from Producer-Director, this person will perform assigned duties on the crew during a local production. The assignment(s) will vary based on experience, production need, and other factors.

Minimum Requirements:

- At least 16 years of age and present written parental or guardian permission to work if under 18 years old.
- Familiarity with television equipment and production techniques.
- Ability to learn and combine technical and artistic elements.
- Access to transportation for timely arrival at production site.
- Ability to lift and carry at least 25 pounds of equipment.
- Ability to take direction and act calmly under stressful conditions

Preferred:

- High school diploma, GED, or equivalent
 - Experience with television production equipment.
-

This position reports to the Director Of Production, but also receives direction and leadership from Producer-Director. This position may be part time or an independent contractor.

Duties may include and are not limited to:

- Operation of a television camera (studio or field), audio mixing, video tape control, or other position as assigned by the production leadership.
 - Assist with the proper set-up and tear-down of production equipment.
 - Be prepared to answer questions by the public at the production site.
 - Protect production gear and personnel by providing appropriate crowd control.
 - Perform other production duties as requested or assigned.
-
